

Locum Tenens, Nursing, & Allied Health Professionals including Colorado Furloughed, Unemployed and Jobseekers

HWL is offering health care delivery organizations a rapid response staffing program designed to meet the urgent staffing needs that may be driven by increased demand for health care professionals and shortages of core staff due to a COVID-19 outbreak.

Key Elements of Our Program

- ⦿ Designed specifically for COVID-19 surge staffing needs
- ⦿ Vendor neutral model – 100+ agencies
- ⦿ Free service to health care delivery organizations
- ⦿ Standard contract in place with 100+ agencies
- ⦿ Client setup within 24 hours
- ⦿ Account manager assigned to manage and distribute orders quickly
- ⦿ Ability to manage entire staffing process from order to invoice through the [HWL VMS platform](#)

Key Client Requirements to Participate in Our Program

- ⦿ Complete and accept the HWL COVID-19 Standard Agreement
- ⦿ Accept Agency COVID-19 Statement of Work
- ⦿ Agree to provide emergency privileges for Locums when necessary
- ⦿ Agree to standard credentialing/compliance requirements provided in standard agreement

How to get started – NO OBLIGATION REQUIRED
